

Permission to Proceed to Ph.D. Dissertation Defense

(This form should be completed and signed more than two weeks before an anticipated defense date.
It is equally the student's and the committee chair's responsibility to get this form completed.)

By signing this form the dissertation committee member agrees that he/she:

- (1) has carefully read the dissertation**
- (2) finds the analysis and interpretation of the data appropriate**
- (3) Does not anticipate that major changes will be necessary, and**
- (4) Believes that approval of the dissertation is conditional on only minor corrections and a successful defense.**
