

Films: We will see three films that are an important part of the course. The showings are set for Thursdays at 7:30 in Jarrell Hall (032 Jackson Library) on the dates designated below. I will put the films on reserve at the Teaching & Learning Center (McIver Building) for those who cannot make the out-of-class showings (they are also available at some local video stores and on Netflix). The titles are: “Burnt by the Sun;” “Thief”; and “Prisoner of the Mountains.”

Course Web Page: The course web page, which includes readings, class notes, maps, links to Internet Resources, and other features, is at www.uncg.edu/~jwjones/russia

Course Activities:

Participation	25%
Written Assignment	25%
Midterm Exam	25%
Final Exam	25%

Participation: The 25% class participation grade consists of Worksheets and Reaction Pieces (1-2 pages, double-spaced) to the readings designated below. These are intended to be your reaction to or opinion of the readings, not a summary. The total sum of these assignments is 50 points, which will be divided by two for the final participation grade. You can keep up with your participation grade on Blackboard.

Written Assignment: Students have a choice of several paper topics or a book/film review for this assignment (worth 25%). All papers should be 3-5 pages, double-spaced, with 12-point font. You can turn your paper in at any time over the course of the semester since the topics correspond to different issues dealt with in the course. However, **the final due date by which all papers must be turned in is Wednesday, November 29.** See the Topics & Guidelines to the Written Assignment for the choice of topics and further information.

Exams: There is one midterm exam (worth 25%) and a final exam (worth 25%). The exams cover *only* the part of the course for which they are designated, so they are *not cumulative*. Both exams include Take Home Essay Questions (each worth 10% of the overall course grade) to be turned in on the day of the exam.

Grading: Grades are compiled on a point system. For example, if you make an 80 on the Midterm Exam (12/15) + 88 on the Midterm Take Home Essay (8.8/10) + an 85 on the Final Exam (12.8/15) + 93 on the Final Take Home Essay (9.3/10) + 85 on your Written Assignment (21.3/25) + 90 on Participation (22.5/25), your final grade = **86.7** or **87 B+**
