### Class attendance

Regular attendance at all lectures and discussion sections is expected. You are allowed three unexcused absences in this class. Excused absences, such as for illness or emergency, require documentation. Every unexcused absence after three will lower the student's final grade by one letter grade. More than five unexcused absences may result in the student being dropped from the course. Frequent tardiness is not allowed. Two tardies will count as one unexcused absence.

#### Other things you should know about this class

1. Please turn off all cell phones, pagers, beepers, or any other items that make noise before entering the classroom.
2. You can use a laptop in class to take notes or to access a website if directed by the instructor or TA. Other uses of your laptop are not approved. Anyone caught violating this policy will have the privilege of bringing a laptop to class revoked for the remainder of the semester.
3. Anyone caught cheating or plagiarizing will receive an "F" for the course. The out-of-class writing assignments do not require that you consult any outside materials beyond those suggested in the assignment instructions. If you do consult other outside materials, make sure that you use them only for deep background understanding, not as the basis for your essays. Your essays should be based on your own ideas and written in your own words. For more on the University's Academic Integrity Policy, go to the following website:

4. No incompletes will be allowed as final grades for this course, except in the most dire, unavoidable, and tragic of circumstances.
